HORIZON 2020

E-KnoT Industry Vouchers

«**Industry vouchers**» is a new initiative aiming at consolidating links between Research and Industry by supporting innovative ideas in the area of GNSS. The objective of this initiative is to provide **short-term and specialized expertise to European companies from high-level academic staff**. The four academic partners that participate to the consultancy are:

- Politecnico di Torino
- Ecole Nationale de l'Aviation Civile
- Bundeswehr University Munich
- Universitat Politècnica de Catalunya

Several calls are organized along the project. Without any financial contribution, a short term **consultancy service from one of the four academic partners per call** will be provided.

The consultancy support is organized via phone calls and emails without any physical meeting and will be limited to a **maximum of 20 working days scattered on an indicative number of three months** after the start of the consultancy. Modalities of work will be jointly agreed.

Benefits to Companies

- Build relationships with academic experts
- Feedback and advice on an innovative idea
- Short-term and specialized support by high-level academic staff

Application Procedure and Requirements

The call is open to companies operating in an EU country or in a country associated to H2020*, in particular SMEs.

The selection is done by the Board of the e-KnoT Project under supervision of the GSA. The decision of the Board is irrevocable. All companies participating to the call will be informed, with no justification, of the outcome of the selection.

* Countries associated to H2020

Iceland, Norway, Albania, Bosnia and Herzegovina, the former Yugoslav Republic of Macedonia, Montenegro, Serbia, Turkey, Israel, Moldova, Switzerland, Faroe Islands
